USF Flute Camp

We are very excited to have you join us for the USF Flute Camp!

So that everyone has a wonderful experience at camp, all campers will follow the guidelines below throughout the entire camp. Failure to observe any of these guidelines will result in dismissal from the camp, requiring immediate retrieval of the camper, with no refund of any kind.

1. There will be no smoking, drinking, or illegal drugs of any kind. All prescriptions must be documented in a camper’s medical release form (required for camp participation).
2. Female campers are only permitted in female campers’ rooms; male campers are only permitted in male campers’ rooms. No exceptions!
3. Attendance at all camp functions is mandatory.
4. All resident campers will walk to and from the School of Music with camp chaperones as a group.
5. Everyone must wear their camp ID badge at all times.
6. The camp, USF, and the School of Music are not responsible for any students who travel in their own cars.
7. The camp, USF, and the School of Music are not responsible for any student belongings.
8. If you become ill, you must notify a camp staff member immediately.
9. For your safety, you must comply with instructions from staff and faculty members at all times.

I agree to abide by these policies, and understand that any failure to observe any may result in my immediate expulsion from camp at my own expense and without refund.
